RE: 2019-2020 School Calendar

Dear PCA family,

This past year, PCA administrators researched the possibility of moving to a 4-day instructional calendar for the 2019-2020 school year. A survey was sent to parents soliciting input as this was considered. We received an 86% response rate which is incredibly high. Thank you for your participation in this survey and providing us with valuable information. We also received an 86% approval rate for moving to a 4-day instructional calendar. The remaining 14% were concerned with childcare for the Friday that students would not be in school. This concern is also important to us. The 2019-2020 instructional calendar recommended to the Board of Directors for approval is a 5-day calendar with several Friday staff development days included. PCA administrators plans to present to the Board of Directors a 4-day instructional calendar for the 2020-2021 school year. Postponing the 4-day calendar for one school year will provide parents time to plan for the care of their child (children) on Friday.

Thank you for your support as we continue to strive for excellence.

Respectfully,

Ken Vaughn, Director
Pineywoods Community Academy
