Cafeteria Charging Policy

2016-2017

Due to the Healthy Hunger Free Act, signed into law in 2010, Child Nutrition Programs are no longer allowed to incur bad debt. Our charge policy is limited to charging in emergencies only. If your child forgot their lunch money they will be allowed to charge up to \$5.00 in meals. Students will not be allowed to charge snacks at any time.

The \$5.00 charge must be paid for the student to receive a full meal. If the charge is not paid the child will receive an alternate meal consisting of a cheese sandwich, fruit, and milk at a charge of .75 per meal.

For information on a student's lunch account you may contact Sylvia Miranda at 936-634-5515 ext 232

There are more payment options available than we have had before. You can create an account at MYSCHOOLBUCKS.com, and pay with a credit or debit card. You can also pay with cash or a check at the cafeteria serving line, and you can use a card in the business office.
